

The neighborhood party game

NACHBARSCHAFTS FESTSPIEL

Game rules

1. Place the board on a table or flat surface. Pick up the game figures, a dice and some pencils.
2. Imagine you go for a walk together in your neighborhood. The game board is your neighborhood. Each player starts on a colored field with a number (1-6).
3. The person who has lived in the neighborhood for the longest time is allowed to roll first. Then you continue clockwise.
4. If two players land in the same field, they miss a turn and can have a chat.
5. If a player lands on a question field, he or she has to answer the question.
6. Write down your answers to the question on the field before the finish line (question number 12) in the middle of the game board.
7. The game is over once all the players have arrived back at their house (ZIEL).
8. Show us your written down ideas on the game board: take a picture of your answers and share it on social media with the hashtag #tagdernachbarn
